				Student Mobility for studies	Staff mobility for Teaching

In order to help students in their mobility, French language support courses are organized by the CUEFLE. These courses are free of charge, but ATTENTION, they do not deliver ECTS.

- (1) For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <https://europa.eu/europass/select-language?destination=/node/1>
